A new way to activate your digital content on myCECZone

Making back-to-school so much easier!

You are an elementary combined grades teacher. You teach split-grades classes.

Activate your digital content in three easy steps:

- Step 1: Activation
- Step 2: Validation
- Step 3: Creating a student group

Reminder: To activate the digital content for a CEC collection, you must already have a myCECZone account and be logged in: https://myceczone.com/.

Step 1: Activation

On your bookshelf page, click the "+" to add the digital content that comes with your CEC collection.

≡	Bookshelf	Å + Q []
	You have no digital content activated in your bookshel	F.
	Press the + button to activate your code.	

Note: If you activate a code for a 1-year web access Student Module (Pack of 30 copies) that doesn't include access to the Teacher's Resource Guide, you must already have this Teacher's Resource Guide in your bookshelf.

Enter the eight-letter activation code for your CEC collection that was sent to you by email. Then click "Submit."

Terms and conditions
Introduction Les Éditions CEC inc. ("CEC") operates the MyCECZone service (the "Platform") on the www.myceczone.com website www.mazonecec.com (www.myceczone.com). Cette Plateforme permet aux enseignants, professors, pupils and students to consult and personalize CEC's digital material. The Platform is also a work area that allows users to personalize and share specific content, including, in particular, texts, photographs, images, illustrations, audio clips, video clips, animation, and interactive activities (collectively referred to as the "Elements"). This contract (the "Contract") sets out the terms of use of the Platform and constitutes a legal agreement between the natural person (namely the User, as defined more fully below) who uses the Platform and CEC. Any version of this Contract amended by the User shall be invalid and inapplicable. Unless otherwise indicated, this digital MyCECZone platform and its content are the property of Les Editions CEC Inc. The Platform (as defined below) and its Content (also as defined below) are protected, in particular under Canadina and international copyright and trademark legislation. In accessing the Platform, the User confirms that he or she agrees to these terms and conditions. If the User disagrees with

Step 3: Creating a group

- Enter the name for your first group of students.
- Enter the common password (at least eight characters including at least one number) that all the students in this group will share.
- Select the number of students in this group this year.
- Click "Create."

	Activation Validation Group creation
Create a grou	up to share Odyssée 2 - 4 modules content with.
Group name Group01	Common password for all students Number of students 123Qwert - 28 +
	This password will be protected. Please take note of the password and keep it in a safe place. The name of the group, the common password and the number of students in the group can be changed later.
	Later Create

Activation Validation Finalization
The group Group01 has been created.
Your list of 28 students is ready to be edited.
The digital content of Odyssée 2 - 4 modules has been added to the group's student bookshelf.
